PROFESSIONAL SUMMARY

Innovative Computer Science Engineering undergraduate specializing in Cyber Security, IoT, and Blockchain Technology. Demonstrated expertise in network security, vulnerability assessment, and secure application development through hands-on projects and leadership in national hackathons (SIH). Adept at using tools like Wireshark, Nmap, and Burp Suite to identify and mitigate security threats. seeking an entry-level role as a **Cyber Security Analyst**, **SOC Analyst**, or **Software Engineer** to leverage technical skills in a challenging environment.

EDUCATION

Bachelor of Engineering in Computer Science (Cyber Security, IoT & Blockchain) *Guru Nanak Dev Engineering College (VTU), Bidar, Karnataka Expected Graduation: 2027 | CGPA: **7.80**/10.0 upto 6th semester.*

10th CBSE - 71% , 12TH BOARD-81% .

TECHNICAL & Soft SKILLS

- **Cyber Security:** Wireshark, Nmap, Burp Suite, Metasploit, Snort, tcpdump, LUCY, OWASP Top 10.
- **Networking & OS:** TCP/IP, UDP, VPNs, Firewalls, Packet Sniffing, Linux (Kali/Ubuntu), Windows.
- **Databases:** MySQL, PostgreSQL, MongoDB, SQLite, Firebase.
- **Tools & Platforms:** Git, GitHub, Docker, Arduino, Raspberry Pi, VS Code.
- **Frameworks & Libraries** : React, Node.js, FastAPI
- **Programming Languages** : C/C++, Java, Python, JavaScript, HTML, CSS
- **Soft Skills** : Leadership, Event Organization, Communication, Problem Solving, Time Management
- **Cybersecurity & Tools** : Jenkins, Linux, Docker, GitHub, rkhunter, Gophish, Hydra, Johntheripper, Nessus,, Nikto, Nmap, Wireshark
- **Languages** : English, Arabic, Urdu, Hindi

PROJECTS

DEFENXIA – Smart India Hackathon (SIH) Project | *Team Leader*

- Designed a solution to enhance mobile and network security architectuture.
- Performed vulnerability scanning, packet analysis, and phishing simulations.
- Led a team in implementing security protocols and presenting solution to evaluators

DEFENXIA - Mobile Security Application (College Major Project) | Team *Leader*

- Developed Android-based mobile security application to detect malicious activities.
- Implemented threat detection and user alert mechanisns.
- Used Java and Android SDK: integrated basic networking concepts.
- Conducted phishing simulations using GoPhis & API services.

PRACTICAL EXPERIENCE

Cyber Security Lab & Hands-on Training

- **Vulnerability Assessment:** Performed comprehensive scanning using **Nmap** to identify open ports, services, and CVEs across laboratory systems.
- **Network Analysis:** Analyzed 50+ network traffic dumps using **Wireshark** and **tcpdump** to trace data flow and identify anomalies.
- **Web Security:** Executed controlled **SQL Injection** and XSS testing using **Burp Suite** to patch web application vulnerabilities.
- **Intrusion Detection:** Configured and deployed **Snort** IDS to monitor network traffic and detect simulated attacks.
- **Attack Simulation:** Conducted ethical ARP poisoning and traffic sniffing experiments to understand MITM attack vectors in a controlled environment.
- HACKTOBER (College Level Cyber Awareness Event) Event Coordinator & Lead Quiz competition | 100+participants [November, 2025]

CERTIFICATIONS

- **Cisco Networking Basics** - Cisco
- **Red Hat Linux Essentials** - Red Hat
- **Ethical Hacking & Networking** - Simplilearn
- **Cyber Security Training** - LearnTube
- **IT & Programming Courses** - Infosys Springboard
- **MERN Stack Development Training** – Zenexis Solution.
- **AWS Cloud Essentials - AWS**
- **DevOps Training Program - Cyber Defentech**
- **Cloud Security Training - Cyber Defentech**
- **ADVAYA 2.0 National Hackathon - BGSCET Bengaluru**

ACHIEVEMENTS

- **Winner:** Mini Project Competition for DEFENXIA application.(cash price :3000)
- **Participant:** Smart India Hackathon (SIH) - Finalist Round.
- **Pals cluster finals participant's** - PALS innoWAH! Exhibition.
- **Bangalore Hackathon participants:** BGS Collage of Engineering and Technology
- **Class Topper:** Consistently maintained top academic performance (5th Semester).

INTERNSHIP

- **SYNTECXHUB:** IN CYBER SECURITY FROM 12 MAY 2026 TO 12 JUNE 2026 **(1 MONTH).**
- **FUTURE INTERNS:** IN CYBER SECURITY FROM 12/05/2026 TO 12/06/2026 **(1 MONTH**).
- **INFOTACT SOLUTIONS :** IN CYBER SECURITY FROM 05/062026 TO 05/09/2026 **(3 MONTHS).**
